Abstract

1 Introduction

Motivation and Aims

- What is the general problem?
- Why is it worth working on?
- Who else as worked on this problem?
- What did they find?
- Given this, what is the specific problem you will solve?

2 Literature Review

3 Methods

- What are you doing?
- How are you doing it?
- Why are you doing it this way?

4 Results

- What have you done?
- What went into it?
- Why have you done things the way you have done them?

5 Evaluation

- Did your idea work?
- How did you test it?
- What would you do differently?

6 Conclusions

7 References

8 Appendices
